## NEWS RELEASE

April 19, 2018

### **Cypress Unaware of Any Material Change**

**Vancouver, BC - Cypress Development Corp.** (TSX-V: [CYP](#)) (OTCPINK: [CYDVF](#)) (Frankfurt: [C1Z1](#)) (“Cypress” or the “Company”) announces, at the request of IIROC, that the Company wishes to confirm that Cypress’ management is unaware of any material change in the Company’s operations that have not been disclosed that would account for the recent increase in market activity.

#### **About Cypress Development Corp.:**

Cypress Development Corp. is a publicly traded exploration company focused on developing the Company’s 100%-owned Clayton Valley lithium project in the State of Nevada, U.S.A.

Cypress’ Dean & Glory Lithium Project is located immediately east of Albemarle’s Silver Peak mine, North America’s only lithium brine operation. Recent exploration by Cypress has discovered an extensive deposit of lithium-bearing claystone adjacent to the brine field. With mineralization tested by drilling over a seven-kilometer trend, the apparent size of the Dean & Glory deposit makes Clayton Valley a premier target that has the potential to impact the future of lithium production in North America.

Cypress Development Corp. has approx. 57.0 million shares issued and outstanding.
